

## FAIR BUTTON DESIGN CONTEST

Use this sheet to submit your design for the 2021 Meadowlands Fair Button! This year's button will be printed in full color at about 2" in diameter. Keep in mind that the design created here will be reduced and small details may not be easily seen. We will create a digital version of the winning design in order to print it. The fair name and year will be digitally added. This contest is open to any age. The winner will receive recognition, a \$25 cash prize, and a large version of their button design as a keepsake.

**SUBMIT COMPLETED DESIGN BY JUNE 7TH to either  
the Trainside or mail to PO Box 152, Meadowlands, MN 55765**
